The term of the lease shall begin and end on the dates stated above: provided however, the term of the lease may be extended for the like period of time, provided neither party gives notice to the other party of intent to terminate the lease, whether at the end of the initial term or at the end of any renewal term thereof. 8. Lessee will not store dangerous, flammable, perishable, or illegal goods that could harm the storage unit facility or contents of other storage units.
9. Lessee will not sublet the storage unit.
10. It is specifically understood and agreed by and between the parties that lessor shall not be responsible for any loss of goods stored in the storage space above described, nor be responsible for any damage done to any items stored in said space, unless said loss or damage is caused by the direct act of lessor or their agents, employees, or representatives.
11. Lessee will insure all the contents of the storage unit. It is understood that the lessor carries no insurance covering lessee's goods and assumes no liability for the same. Lessor is not responsible for damage to or the loss of lessee's goods caused by fire, water, any natural disaster, vandalism, or burglary.
